TERMS AND CONDITIONS GOVERNING ALL SALES

All products and services (collectively, **“Products”**) provided for in the Quote, Sales Order Acknowledgement, proposal or other agreement pertaining to the purchase and sale of Products (**“Proposal”**) shall be furnished by Harris American Company or its direct or indirect affiliate (the individual applicable entity, **“Seller”**) and accepted by the party (**“Buyer”**) who either accepts a quotation from Seller for the sale of the Products or whose order for the Products is accepted by Seller in accordance with these Terms and Conditions Governing All Sales (**“Terms”**). The Proposal and these Terms shall together constitute the only agreement of Seller and Buyer (**“Agreement”**). Unless otherwise specifically agreed to in writing by Seller, the Terms shall also apply to any and all future orders placed by Buyer with Seller for products and/or services, including products and/or services not referenced in the initial Proposal. The offer of Seller to Buyer contained in this Agreement expressly limits Buyer’s acceptance to the terms of this Agreement. Seller rejects any terms contained in any purchase order or other documents issued by Buyer which are different from, conflict with, modify and/or add to this Agreement; in such event, the terms of this Agreement shall govern and prevail. Seller’s execution of any document issued by Buyer shall constitute only an acknowledgment of receipt thereof and shall not be construed as an acceptance of any of the terms therein. Unless Buyer sets forth each specific objection to this Agreement in this Agreement or in a separate writing signed and dated by Buyer and delivered to Seller contemporaneously with this Agreement, Buyer shall be deemed to have accepted all of the terms of this Agreement. Buyer’s issuance of a purchase order or other document which purports to reject some or all of the terms of this Agreement by virtue of Buyer’s standard form language, or otherwise, shall not be sufficient objection. Where Buyer specifically objects to any of the terms of this Agreement, no contract shall be formed unless and until Seller accepts in writing Buyer’s proposed modifications to this Agreement. No waiver or modification of any of the terms of this Agreement shall be valid unless made in writing and signed by Seller and Buyer. The foregoing notwithstanding, if Seller discovers errors or omissions in the Proposal, Seller is authorized to correct or add to the Proposal or terminate this Agreement, provided that if Seller exercises its right to correct or add to the Proposal, Buyer may for a period of 5 days from receipt of notice of such changes or additions, terminate this Agreement. Stenographic and clerical errors are subject to unilateral correction. Unless otherwise specified, commercial variations will be allowed on all dimensions.

PRICES: Prices quoted are in United States dollars and are effective as of the date of Proposal and subject to change at any time. Prices include Seller standard packing for domestic shipments unless otherwise indicated. Prices quoted for services shall not include repair or replacement of defective machine components which were undiscovered or unknown at the time of the Proposal. In the event such additional defects are discovered during the performance of repair, Seller shall provide notice to Buyer of such additional work and additional cost, which shall be added to the contract price, and Buyer is obligated to pay for such additional work. Components not manufactured by Seller shall be subject to any increase in price of such goods charged by suppliers of Seller. In addition, Seller may increase or decrease prices from time to time based upon increases or decreases in costs or other factors determined by Seller, including without limitation freight charges and surcharges, changes in cost of labor, and changes in tariffs, duties, or other similar amounts (regardless of whether any such amounts were specifically included in quoted prices).

TERMS OF PAYMENT: The purchase price of the Products shall be due as set forth in the Proposal. All orders are subject to credit approval. Payments made via credit card are subject to a processing fee determined by Seller in its sole discretion. If shipments are delayed by Buyer for any cause, payment shall become due from the date on which Seller is prepared to make shipment and storage shall be at Buyer’s risk and expense. If manufacture is delayed by Buyer for any cause, a partial payment based upon the percentage of completion of the order shall become due from the date on which Seller is notified of the delay. Seller may at any time, when in its opinion Buyer’s financial condition warrants, alter or suspend credit and delivery until such time as arrangements for payment are made which are satisfactory to Seller. Buyer agrees to pay to Seller interest charges of 1.5 percent per month on the outstanding balance of all accounts of Buyer that are not paid in accordance with the terms of this Agreement. In addition, Buyer agrees to reimburse Seller for all costs incurred by Seller as a result of any breach of this Agreement by the Buyer including, but not limited to, reasonable attorneys’ fees and costs. All payments hereunder shall be in United States dollars and made by check or wire transfer, unless otherwise agreed upon in writing by Seller.

TAXES: Seller prices do not include sales (except for deliveries in Georgia); value added; inventory; use; or other taxes or fees, which are the sole responsibility of Buyer. If Buyer is exempt from the payment of any tax, it is the duty of Buyer to furnish Seller the proper exemption certificate.

DELIVERY: Deliveries are scheduled only after receipt of order, clarification of required technical information, resolution of commercial issues, and Buyer approval when required. Unless otherwise provided in the Proposal, cost of transporting Buyer's machines and equipment to and from Seller's plant for the performance of any services shall be at Buyer's expense. Shipping dates are estimated based on conditions prevailing at the time of quotation but are not guaranteed. If Buyer requests delivery by a carrier other than the carrier regularly used by Seller and whose rates are reflected in the Proposal, any such excess costs will be the expense of Buyer. Seller shall not be liable for delays in delivery or failure to manufacture due to force majeure or causes beyond its reasonable control such as Acts of God, acts or omissions of Buyer, acts or omission of civil or military authority, priorities, fire, strikes, floods, epidemics, quarantines, restrictions, riot, war, delays in transportation, transportation vehicle/vessel shortages and inability to perform due to inability to obtain necessary labor, materials or manufacturing facilities. In the event of any delay such as above described, the date of delivery shall be extended for a period equal to the time lost by reason of such delay. The Products shall be delivered to Buyer or its designated shipping company, and title and risk of loss shall pass to Buyer Incoterms 2020 Ex Works Seller's facility, unless specified otherwise in the Proposal.

SECURITY INTEREST: Buyer grants to Seller a security interest in the Products purchased and in the proceeds thereof, until paid for in full. Seller is authorized to file financing statements and other documents necessary to perfect and continue the security interest. If Seller in its sole judgment questions Buyer's ability to pay for the Products, Seller may require payment in full in advance of delivery or manufacture of the Products. Failure to adhere to Seller's terms may result in a shipping hold on future orders and/or a reduction in the credit Seller will extend.

CANCELLATION: Unless otherwise expressly set forth on the Proposal, no order may be canceled by Buyer unless specifically consented to by Seller in writing. In the event of such consent, unless otherwise expressly set forth on the Proposal Buyer shall pay: (a) contract price for all Products that have been completed prior to receipt of notice of cancellation, including shipping, disassembly and reassembly, testing and all other costs with respect to performance of any services on Buyer's machinery and equipment at Seller's prevailing standard rates; (b) all costs incurred by Seller in connection with the uncompleted portion of the order plus a normal profit of the total contract price as partial damages; and (c) cancellation charges, if any, of Seller on account of its purchasing commitments made under the order. Seller shall have the right to cancel any order or to refuse to deliver or to delay shipment in the event Buyer fails to submit payments when due or perform any other obligations of Buyer.

BUYER RESPONSIBILITY: Buyer shall assume and bear sole responsibility for proper maintenance of the repaired machinery and equipment and for providing adequate and sufficient safeguards, work handling tools and safety devices necessary to protect fully all personnel (including operators, helpers, repairmen, bystanders and all others who would be in the vicinity of the machinery and equipment repaired or provided by Seller) from bodily injury or death that otherwise may result from the use, operation, set-up or maintenance of the machinery or equipment, including all requirements for compliance with prevailing federal state and local codes and industry accepted standards. Seller shall bear no liability for the failure of Buyer to provide all such safeguards. Buyer shall not permit anyone to alter or modify any of the machinery or equipment repaired or provided by Seller, including but not limited to the removal or modification of safety devices, warning signs or signals, electrical circuitry, instruction labels, or manuals attached to or furnished with the machinery or equipment. Unless specifically exempted in the Proposal, Buyer will ensure that any machinery, equipment or components delivered to Seller's property for repair and/or storage has had all potential environmentally hazardous materials removed and/or drained (i.e. oil, grease, anti-freeze, asbestos, etc.). Buyer will be charged for and held responsible for any costs or damages incurred by Seller due to such materials that are discovered at any time the material is under Seller's control.

INDEMNITY: Buyer hereby indemnifies and agrees to defend and hold Seller harmless from and against any and all claims, actions, damages, demands, liabilities, costs and expenses, including attorneys' fees and expenses, relating to the Products, except to the extent caused by the gross negligence or willful misconduct of Seller.

INTELLECTUAL PROPERTY: Buyer shall not remove, alter, obliterate, copy or cancel Seller's trade names or trademarks appearing on any Product nor take any actions which are inconsistent with Seller's ownership of such names and trademarks. Products purchased pursuant to this Agreement may include intellectual property proprietary to Seller. Buyer agrees that all software and firmware included in any Products purchased pursuant to this Agreement, and all source and object code of such software and firmware, is and remains the exclusive property of Seller. Buyer further acknowledges that software or firmware installed on Products may not be modified, deleted, reprogrammed,

serviced, or otherwise changed other than by Seller or individuals approved by Seller. Unauthorized modification, deletion, reprogramming, or service shall void all warranties and shall relieve Seller of all liability of any kind.

IMPORT LICENSES: Prior to the date of shipment of the Products, Buyer shall obtain at its sole cost all import licenses and/or other government approvals that may be required by the country of importation. Upon Seller's request, Buyer shall provide Seller with copies of such import licenses and/or government approvals to evidence Buyer's compliance with this provision. Buyer represents and warrants that it is not, and Buyer shall not, directly or indirectly, transfer the Products to, a person or entity listed as: (1) a Specially Designated National or Blocked Person by the U.S. Treasury Department; (2) a Denied Person by the U.S. Commerce Department; (3) a Denied Entity by the U.S. Commerce Department; or (4) a Debarred Party by the U.S. State Department. Buyer shall indemnify, defend and hold Seller harmless from any claim, loss, damage, fines, penalties, liability or expense incurred with regard to Buyer's failure to comply with this provision.

MANUALS, BROCHURES, INSTRUCTIONS: Any operating manuals, instructions, brochures, warnings, or similar materials concerning the Products (collectively, the "*Operator Service Manual*") are provided to Buyer as a source of information on the safe and proper maintenance and operation of the Products. Buyer's failure to comply with the recommendations set out in the Operator Service Manual may result in personal injury and/or property damage. Buyer agrees to not remove warnings, notices, safety guards or other protective devices, except for maintenance as recommended by, and in accordance with, the Operator Service Manual.

NON-WARRANTY SERVICE CHARGES: Should the Buyer of a Product request the service of a Seller service technician (except as specifically provided for and included in the price of such Product in the Proposal), such service will be rendered at a quoted charge per day, plus, all other expenses incident thereto, including transportation to and from Buyer's facility and living expenses.

NOISE LEVEL DISCLAIMER: Unless otherwise provided in the Proposal, Seller makes no representations or warranties with respect to the noise level of the Products or any equipment or machinery repaired by Seller. In the event noise level of the equipment or machinery is unacceptable following repairs made pursuant to this quotation, Seller may, in its discretion, agree to analyze and submit a separate quotation as to the repairs necessary to effectively reduce noise level.

COMPLIANCE WITH LAWS: Buyer shall comply with the United States Foreign Corrupt Practices Act of 1977, as amended, and all export laws and restrictions and regulations of the Department of Commerce, Department of Defense or of other United States or foreign agencies or authorities, and shall not export, or allow the export or re-export of any Product in violation of any such restrictions, laws or regulations.

APPLICABLE LAW: This Agreement shall be interpreted and enforced in accordance with the laws of the State of Indiana, including the laws of the United States applicable therein; provided, however, that in the event Indiana choice of law is finally determined to be unenforceable for any reason, this Agreement shall be interpreted and enforced in accordance with the laws of the State of Georgia, including the laws of the United States applicable therein. THE UNITED NATIONS CONVENTION ON THE INTERNATIONAL SALE OF GOODS SHALL NOT GOVERN THE INTERPRETATION OF OR ANY DISPUTE ARISING FROM THIS AGREEMENT.

LIMITATION OF CLAIMS: No action or proceeding based on this Agreement or arising out of its performance shall be instituted by either party more than one (1) year after the cause of action or claim has accrued; provided, however, that no such limitation shall apply to claims for payment under this Agreement by Seller against Buyer.

ARBITRATION: Any controversy or claim arising out of or relating to this Agreement, or the breach thereof, shall be settled by binding arbitration in the State of Indiana, before a single, neutral arbitrator chosen jointly by counsel to Seller and counsel to Buyer. Should counsel to the parties be unable to agree on an arbitrator, each party shall choose an arbitrator, and the two arbitrators chosen by the parties shall select a third arbitrator who will decide the controversy. Judgment rendered upon the award, including such reasonable attorneys' fees as may be awarded the prevailing party, may be entered in any court having jurisdiction thereof.

INTEGRATION; MODIFICATIONS; WAIVER. This Agreement contains the entire understanding between the parties with respect to the transactions and subject matter contemplated hereby and supersedes, merges, and replaces all prior and contemporaneous agreements and understandings, oral or written, between the parties. This Agreement

may not be orally amended or changed. This Agreement may be amended or changed only by written instrument executed by both parties. The provisions of this Agreement may be waived only by a written instrument executed by the party waiving such provision. A waiver of any term of this Agreement shall not be deemed a waiver of any other term, or of such term on any other occasion.

ATTORNEYS' FEES: In the event of any controversy, claim, or dispute between the parties hereto arising out of or relating to this Agreement, or the breach thereof, the prevailing party shall be entitled to recover from the other party reasonable expenses, attorneys' fees, and costs. Attorneys' fees incurred in enforcing any judgment are recoverable as a separate item, and this provision for post-judgment attorneys' fees shall survive any judgment and shall not be deemed merged into the judgment.

CONFIDENTIALITY: All data, designs, drawings, processes, specializations, reports and other technical, financial or proprietary information submitted by Seller to Buyer and the features of all parts, equipment, tools, patterns and other items furnished or disclosed to Buyer by Seller in connection with the order (the "*Confidential Data*") are to be considered confidential, the sole property of Seller, shall not be used except in connection with Seller's provision of the Products to Buyer in accordance with the order and shall not be published or disclosed to any third party without Seller's prior written authorization, unless the Confidential Data or any relevant part thereof is or becomes generally available to Buyer on a non-confidential basis from a source (other than Seller) which is entitled to disclose the same. Buyer shall not, without receipt of Seller's prior written authorization, disclose any term or provision of this order.

LIMITATION ON LIABILITY: SELLER SHALL IN NO EVENT BE LIABLE FOR ANY CONSEQUENTIAL, INDIRECT, INCIDENTAL, SPECIAL OR PUNITIVE DAMAGES ARISING OUT OF OR RELATED TO THE SALE OF SELLER PRODUCTS OR TO THIS AGREEMENT OR ANY BREACH THEREOF, INCLUDING, BUT NOT LIMITED TO, LOST PROFITS OR REVENUE, WORK STOPPAGE OR INEFFICIENCIES, IMPAIRMENT OF THE PRODUCTS, LOSS BY REASON OF SHUTDOWN OR NON-OPERATION OR INCREASED EXPENSES OF OPERATION, WHETHER OR NOT SUCH LOSS OR DAMAGE IS BASED ON CONTRACT, NEGLIGENCE, STRICT LIABILITY OR OTHERWISE, AND WHETHER OR NOT SELLER WAS ADVISED OF THE POSSIBILITY OF SUCH LOSS OR DAMAGE. IN NO EVENT SHALL SELLER'S TOTAL LIABILITY (WHETHER BASED ON AN ACTION OR CLAIM IN CONTRACT, TORT OR OTHERWISE) TO BUYER ARISING OUT OF OR RELATED TO THE SALES OF ANY SELLER PRODUCTS EXCEED THE PURCHASE PRICE OF SUCH PRODUCTS.

LIMITED WARRANTY

Except as limited herein, Seller warrants to the original Buyer that the Products manufactured by Seller shall be free from manufacturing defects in material and workmanship (“*Warranty*”) under normal use and service in accordance with Seller’s designed purpose and intended application for the Warranty Period (as defined below). Seller shall not be obligated to provide any remedy under this Warranty for any defect not communicated to Seller in writing within the Warranty Period, and within 48 hours of discovering the alleged defect.

This Warranty supersedes any representations concerning the Products sold to the Buyer which may have been made by Seller’s agents or employees or contained in advertisements. If any model or sample was shown to the Buyer, that model or sample was used merely to illustrate the general type and quality of the Products and not to represent that the Products would necessarily conform to such model or sample.

Seller and Buyer expressly agree that Seller’s obligations under this Warranty are limited solely to repair or replacement (as determined by Seller in its sole discretion) (FOB point of manufacture) of any Product or part or component thereof that Seller in its sole determination deems defective, provided Buyer has notified Seller of the alleged defect during the applicable Warranty Period and within 48 hours of discovering the alleged defect. The warranty does not include expenses incurred by Buyer in reworking, repairing, or replacing such defective Products, repairs and parts, or supplying any missing parts, except upon written consent of Seller. In no event shall such warranty cover costs of transportation, rigging, disassembly, inspection and/or installation of the subject Product or parts replaced or of the repaired Product, machine or equipment.

Seller makes no warranty with respect to any products, parts or equipment manufactured by others and sold by Seller. These items are subject to the warranties of the manufacturer, and Buyer agrees that any warranty claims on these items shall be made by the Buyer directly against the manufacturer. Seller shall not be made a party to such claims by Buyer.

Notwithstanding anything to the contrary contained herein, if Seller has specifically agreed in the mutually agreed upon written Product specifications that the Products will meet specified minimum performance criteria, the parties agree that in the event of any failure of the Product to meet such performance criteria, Seller’s sole liability and obligation, and Buyer’s sole remedy, shall be for Seller to pay to Buyer an amount equal to 0.5% of the purchase price for such Product for every 5% of measurable performance shortfall from the specified minimum performance criteria (the “*Liquidated Damages*”); provided that the Liquidated Damages will be limited to no more than 5% of the total purchase price for such Product. For the avoidance of doubt, Buyer shall not be permitted to return such nonconforming Product to Seller or to require Seller to repair such nonconforming Product. The parties intend that the Liquidated Damages constitute compensation, and not a penalty. The parties acknowledge and agree that Buyer’s harm caused by the Products’ failure to meet the specified performance criteria would be impossible or very difficult to accurately estimate, and that the Liquidated Damages are a reasonable estimate of the anticipated or actual harm that might arise therefrom.

THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY, WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, OR ANY IMPLIED WARRANTIES ARISING FROM COURSE OF PERFORMANCE, COURSE OF DEALING OR USAGE OF TRADE, ALL OF WHICH ARE EXPRESSLY DISCLAIMED. THERE ARE NO OTHER WARRANTIES, AGREEMENTS OR UNDERSTANDING THAT EXTEND BEYOND THOSE SET FORTH IN THESE TERMS. NO OTHER WARRANTY, ORAL OR WRITTEN, IS AUTHORIZED OR HAS BEEN GIVEN BY SELLER TO BUYER.

SELLER SHALL IN NO EVENT BE LIABLE FOR ANY CONSEQUENTIAL, INDIRECT, INCIDENTAL, SPECIAL OR PUNITIVE DAMAGES ARISING OUT OF OR RELATED TO THE SALE OF SELLER PRODUCTS OR TO THIS AGREEMENT OR ANY BREACH THEREOF, INCLUDING, BUT NOT LIMITED TO, LOST PROFITS OR REVENUE, WORK STOPPAGE OR INEFFICIENCIES, IMPAIRMENT OF THE PRODUCTS, LOSS BY REASON OF SHUTDOWN OR NON-OPERATION OR INCREASED EXPENSES OF OPERATION, WHETHER OR NOT SUCH LOSS OR DAMAGE IS BASED ON CONTRACT, NEGLIGENCE, STRICT LIABILITY OR OTHERWISE, AND WHETHER OR NOT SELLER WAS ADVISED OF THE POSSIBILITY OF SUCH LOSS OR DAMAGE. IN NO EVENT SHALL SELLER’S TOTAL LIABILITY

(WHETHER BASED ON AN ACTION OR CLAIM IN CONTRACT, TORT OR OTHERWISE) TO BUYER ARISING OUT OF OR RELATED TO THE SALES OF ANY SELLER PRODUCTS EXCEED THE PURCHASE PRICE OF SUCH PRODUCTS. THE FOREGOING LIMITATIONS SHALL BE VALID AND ENFORCEABLE REGARDLESS OF THE FAILURE OF ANY AGREED OR OTHER REMEDY OF ITS ESSENTIAL PURPOSE.

WARRANTY PERIOD

The *Warranty Period* commences upon the earlier of (a) the date of service or the date the Products are placed in service (as applicable), or (b) thirty (30) days after the date the Products were available for shipping in the case shipping is delayed by Buyer or by circumstances outside the control of Seller. The *Warranty Period* for services terminates upon the expiration of thirty (30) days; provided, however, that warranty repairs will not be subject to any additional warranty or extended Warranty Period, and the repaired Product will continue to be subject to its original Warranty Period for such Product. The *Warranty Period* for products sold by Seller terminates upon the expiration of one (1) year or 2000 hours (whichever occurs first), unless otherwise specified and acknowledged by the parties in writing. The Warranty on Products replaced or repaired pursuant to this Warranty shall expire at the end of the original Warranty Period.

EXCLUSIONS

With respect to the sale of products (rather than services), this Warranty applies only to new Products manufactured by Seller that have been properly installed and maintained and subjected to normal use. It does not cover damages caused by accident, abuse, misuse, negligent handling, improper or inadequate maintenance, tampering, or installation, modification, alteration or repair not performed by Seller or its authorized subcontractors or third parties approved by Seller; operation in a manner other than as specified in the Operator Service Manual; failure to maintain the Products in accordance with the Operator Service Manual; damage caused by parts, equipment or other devices not furnished and installed by Seller; electrical brownouts, power surges, loose wires, or loose screws, nuts or bolts; use of the Products beyond their original capacities or specifications; or operation on improper voltages. In addition, the following are, without limitation, expressly excluded from the Warranty:

- ◆ Normal wearing items such as soft seals, pressure valves, knives, hydraulic hoses, hydraulic pipes, O-rings, proximity switch adjustments, limit switch adjustments, hydraulic pressure adjustments, gather ram adjustments, normal liner wear, fuses, electrical overloads, electrical breakers, ejector chain, and the like, required as the result of normal operations.
- ◆ Replacement of hydraulic fluid due to spills or leaks.
- ◆ Any failure caused by exposure to outdoor elements/weather.
- ◆ Physical failure caused by incorrect operation of the Products.
- ◆ Component failure resulting from operating the Products with contaminated or overheated hydraulic fluid.
- ◆ Component failure resulting from operating the Products with an incorrect brand, type, or formulation of hydraulic fluid(s).
- ◆ Component failure resulting from mixing petroleum based hydraulic fluids with vegetable-based food grade hydraulic fluids.
- ◆ Any failure resulting from Buyer modifications, unauthorized alterations, or any changes to the Products incompatible with the design capabilities of the Products.
- ◆ Any failure from neglecting to perform routine checks, air & oil filter changes, and Scheduled Maintenance as specified in the Operator Service Manual.
- ◆ Shipping costs and special handling charges to expedite delivery of Products, parts and components.
- ◆ Labor associated with warranted Products, parts and components.

RETURN OF DEFECTIVE GOODS

In the event that Buyer believes a Product, part or component manufactured by Seller is defective in material or workmanship during the Warranty Period, Buyer shall promptly (and in any event within 48 hours of discovery) notify Seller in writing of the problem. Upon receipt of such written notice, Seller will issue Buyer a Returned Goods Authorization ("*RG*A") number that must accompany the Product, part or component returned to Seller for warranty

consideration. This RGA number is valid for thirty (30) days from the time of its issuance. Upon receipt of the defective Product, part or component, Seller will make an evaluation, or if necessary, forward a defective part to the original manufacturer for warranty consideration. Buyer shall then be notified of the manufacturer's determination. If the part is found to be defective in material or workmanship, the obligations of Seller are strictly and exclusively limited to the repair or replacement, at the option of Seller, of the defective Product, part or component. Seller agrees to pay all shipping charges, at UPS ground rates, for delivery to Buyer of repaired or replacement parts provided the submitted parts have proved to be defective and covered by this Warranty. Where expedited delivery of repaired or replacement parts is requested by Buyer, such additional shipping charges shall be paid by Buyer.

- Buyer must return any defective Product, part or component to Seller within (30) days of issuance of an RGA number (shipping costs prepaid by the Buyer). If the part is timely returned to Seller and the failure is confirmed to be the result of a manufacturing defect, the Buyer will be credited the amount invoiced (plus shipping) for the repaired or replacement part. In the event a defective part is not received within (30) days of receipt of the RGA number, the Buyer will be billed the total cost of the replacement part or repairs, plus shipping and handling for returning the repaired or replacement part.
- Seller shall make a final determination, in its sole discretion, whether returned parts are subject to a manufacturer's defect or whether the returned part failed due to Buyer's failure to perform recommended Scheduled Maintenance, neglect, abuse or other circumstances causing the Warranty to be void.

Certain Seller Products may have been equipped with a modem to enable remote connection by Seller's service department, allowing for the diagnosis and resolution of problems with Buyer's equipment as quickly and cost effectively as possible. In such event, Seller encourages Buyer to benefit from this service by providing a phone or ethernet line to the equipment. If a Seller Product is equipped with such functionality but Buyer elects not to provide the remote connection, thereby preventing Seller from diagnosing and solving equipment problems remotely, Buyer will be charged for expenses relating to having an authorized Seller service technician visit Buyer's site (but not for expenses for the actual repair or replacement of Products covered by the Warranty).
